Professional Experience:

Art Director, IES Abroad: 02/2019 – Present

- Directed the creative vision of IES Abroad, ensuring consistent brand identity and design excellence across 200+ annual touchpoints including email, social, video, paid media, and web
- Developed and launched IES Global, a parent company to four business lines, including logo design, website design, brand standards, print materials, and all marketing collateral
- Collaborated cross-functionally with Sales, Social Media, and Content teams to launch multi-channel campaigns that increased year-over-year enrollment by 28%
- Directed a team of Designers, Photographers, and Project Managers, driving creative excellence, streamlining workflows, and boosting social and ad engagement by 150% (101 million impressions)
- Managed and mentored a creative student team and freelance talent, delivering high-impact authentic experiences
- Won 2023 Webby Award for Art Direction of IESabroad.org, recognized for immersive UX and compelling brand storytelling
- Established design-related budgets totaling more than \$550,000
- Developed a Digital Asset Management system library of 100,000+ assets, streamlining team workflows and increasing campaign efficiency

Senior Designer, IES Abroad: 04/2016 – 02/2019

- Designed all print and digital marketing-related materials including 14 catalogs (600+ pages), brochures, print & digital advertising, social media graphics & user experience for IESabroad.org, totaling 200-300 requests annually
- Managed freelance creative talent and student photographers
- Collaborated with staff across the globe to ensure brand consistency
- Provided design support for all email marketing

Senior Designer, Great Lakes Dredge & Dock Corporation: 02/2013 – 04/2016

- Expanded brand presence through educational videos, print materials, and advertising
- Redesigned the public website to bring the corporate online presence up-to-date
- Designed all print materials including annual reports, brochures, and project proposals
- Created annual video reviews for all environmental projects

Freelance Design: 08/2005 – Present

For more than 15 years, I have built clean, innovative campaigns with a focus on creative leadership & strategic thinking. A few organizations I have worked with: The American Red Cross, ASPCA, Feeding America, Forbes Travel, The United Nations Foundation, Ronald McDonald House, Pittie Clothing, Anything is Pawzible, Zealous Travel Co.
